

Free & Inclusive Summer Drop-in Program Kindergarten to Grade 7

Keep your kids active this summer with supervised play activities that build creativity, imagination and positive self-image.

The program offers leader-facilitated play opportunities that develop and foster life skills, creativity, imagination and positive self-image, while also promoting a physical, active lifestyle.

PlayEscapes welcomes children and youth of all abilities. Children entering Kindergarten must be 5 years old by December 31, 2019. Due to the high number of participants, we ask that individuals requiring one-on-one support/assistance please bring an attendant/support person.

Registration required. Fill out a Participation Information Form, available on Regina.ca/playescapes and on site the first day of the program.

Regina Education and Action on Child Hunger (REACH) along with Chili for Children will offer a take home lunch at some of the sites in partnership with the City of Regina. Supervision is not provided during lunch time, and participants will be required to leave the site from 12- 1:30 p.m.

Locations are subject to change due to program space and other circumstances. In the event of inclement weather or unforeseen circumstances, please confirm the site status at Regina.ca/playescapes.
